WELCOME

TO THE FROST PREPARATORY PROGRAM

Dear Parents,

Thank you for choosing to enrich your child's life with the power of music. We are thrilled to have you in our program! The goal of The Frost Preparatory Program is to nurture your child's individual interests and abilities in music, from music appreciation to preparation for music conservatories.

The Frost School of Music is recognized as one of the best music schools in the nation, offering a wide array of career programs including instrumental performance (classical and jazz), music business, media writing and production, and composition. Our students have the unique opportunity to be surrounded by talented musicians, which is both inspiring and motivating. Our classes take place in state-of-the-art facilities that leverage the latest technology in music.

I encourage you to take your children to as many concerts as possible. Throughout the year, there are numerous Frost School of Music student and faculty recitals held on campus. Most of these performances are free! Please visit the School of Music's website to see the listing of concerts at frost.miami.edu.

We look forward to a wonderful year with you and your child!

Sincerely,
Megan Walsh, DMA
